EDUCATION

Stony Brook University
Bachelor of Arts Psychology 2009
Bachelor of Arts Sociology 2009

CareerFoundry
Full Stack Web Developer 2016

SUMMARY

After spending the last three years in Japan teaching English and improving my Japanese reading and writing ability, I applied my talent for learning languages into programming and web development. With the help of an online academy and after many late Japanese nights, I have developed a strong foundation in Web Development and am excited to join a team where I can make an impactful contribution while working towards becoming a full-stack web developer.

CLARK MEMORIAL INTERNATIONAL HIGH SCHOOL Yokohama city, Kanagawa Prefecture, Japan
Native English Teacher

Clark Memorial International High School is a private school that offers an alternative student centered approach to the students that are not used to a traditional school environment. Students can choose specialized courses that best suit their interests as well as partake in the study abroad program in Australia. Clark Memorial International High School campuses span all across Japan.

- In charge of creating and executing a curriculum tailored to meet the students ability in the English language.
- Evaluated student's class work, assignments, end of term exams, maintained student attendance records, grades, and other required records.
- Participated in campus and club activities.
- Successfully lead tutoring sessions for specialized exams including, Test of English for International Communication (TOEIC) and EIKEN, a test of practical English Proficiency.

Mar 2013 to Mar 2015

INTERAC CO. LTD Hitachinaka city, Ibaraki Prefecture, Japan
Assistant Language Teacher

Interac is one of Japan's largest private providers of professional foreign teachers to the Japanese government through its Assistant Language Teacher (ALT) program.

- With the help of the training staff and fellow peers, I was able to implement ESL lessons at multiple Elementary schools as well as one Junior High School in accordance with the curriculum set by the Ministry of Education, Culture, Sports, Science and Technology (MEXT) of Japan.
- Developed Lesson plans and course materials with input and feedback shared by Japanese teachers that suited each grade level taught.

Nov 2010 to Mar 2013

THE CENTER FOR FAMILY SUPPORT Bronx, NY
Medicaid Service Coordinator

The Center for Family Support, Inc. (CFS) is a not-for-profit human service agency that provides individualized support services and programs for individuals living with developmental disabilities, and for the families that care for them.

- Provided advocacy, linkage/referral, monitoring and followup supports and services to thirty individuals who were assigned to my case load.
- Met face to face with these individuals to followup on their well being and personal goals at least three times per year.
- Participated in ongoing training sessions set by the Office of Persons with Developmental Disabilities (OPWDD).
